PREVENTING DOMESTIC VIOLENCE STARTS WITH US

WHAT TO EXPECT

- **Event Focus:** Release of the annual Honoring Texas Victims Report, highlighting domestic violence fatalities in Texas.
- **Key Activities:** Hear stories from victims and survivors, review critical statistics, and engage in discussions with community leaders and elected officials.
- **Purpose:** Raise awareness, educate the public, and advocate for collective action to prevent domestic violence.
- **Impact:** Support efforts to amplify the voices of victims and survivors, driving forward the mission to create a future free from violence.
